SPIRIT REALM ANALYSIS

The seed forms out of **FEAR** to lose power unpredictably, acute leadership stress, lack of self control and easy access to a superior force/ weapon.

Some authorities use assassination as ‘power stabilizer’: Assassination of a prominent personality **RESETS** political **AGENDA** in the Media instantly. It happens when such authorities are faced with Stressfully Negative Publicity in the Media.

Assassination is also used as ‘lubricant oil’ to refresh Powers and Authorities spiritually. The Evil forces feed on blood NOT the precious WORD of God..... After assassination, the instructors of such ungodly moves regain spiritual powers instantly.

Assassination drives intimidatory signals among the up-coming brilliant power personalities; they suddenly coil from active politics, viewing politics as dangerous ventures.

Assassination is also used as survival techniques of sick, weak, unreliable and about to sink political system.

HOW TO AVOID ASSASSINATION TRAPS

You **MUST** learn to say “NO THANK YOU!” to those unplanned promotional tasks, unnecessary official and/or private trips, uncontrollable appetite for Food, Alcohol and Sex. Engage Humility as True Friend and Pray most times.

Above all, **TAME** your earthly ambitions to become all you want in one year.

Life is a process; punctuated by Growth, developments and programs..... Move through **LIFE** Step-by-step. Enjoy every challenge Life presents without complaints.

GOD BLESS THE WORLD
