ISPINA TRADING COMPANY LIMITED CELEBRATES POPULAR INTERNATIONAL SUPPORT.

By Special life Team

in Africa:

22/01/2018

In May, 2016, our community friendly team identified ISPINA TRADING COMPANY LIMITED as one of Africa's business initiatives with a unique component of corporate social responsibility. It was also noted that most African based International companies had either partially or not yet activated the component of corporate social responsibility as a preferred technique to bridge partners and promote everlasting confidence in clients/customers/communities.

However, ISPINA TRADING COMPANY LIMITED activated the component of corporate social responsibility with a focus on the less privileged within communities. The company has assisted some orphans, homeless people, the sick and needy. Faith based institutions have been used to channel small donations to beneficiaries in Uganda and beyond. "Yes, we have maintained a steady flow of assistance to the persons who deserve our emergency response through set standards of corporate social responsibility. We give back to the communities in appreciation of their unlimited support." Explains, Mr. Isyepe-O-William, the Managing Director.

Adding "Our assistance is not much but very effective and efficient."

In 2017, ISPINA TRADING COMPANY LIMITED joined other stakeholders to donate food and non-food items in areas hard-hit by food scarcity.

“Yes, we contributed food stuff worth UGX 900,000 only. Other stakeholders also contributed to make a reasonable amount of donation/delivery. These items were taken to Ngora and Kumi in-Eastern Uganda-Africa.”Explains Mr.Isyepe-O-William.

In the same year (2017) ISPINA TRADING COMPNAY LIMITED; activated a study sponsorship for two high school students who lost both parents and had been derailed from formal education due to lack of school fees.

ISPINA TRADING COMPANY LIMITED was established in the Republic of Uganda on the 31st day of December 2014: combination of positive challenges, demand driven services, wealth of experience, favorable government policies, community moral support and rapidly changing technology-driven world; propelled Mr.Isyepe-O-William and Associates to commit hard earned financial resources towards the establishment of ISPINA TRADING COMPNAY LIMITED; with Slogan “GLOBALLY CONNECTED.” The company’s admirable corporate social responsibility – component enabled Safe Life Online Division to search, find and assess for international coverage. It was published on the 26th day of May, 2016.This time round (2018) we serve here in the steady progress of ISPINA TRADING COMPANY LIMITED.
