BIBLICAL IMPLICATIONS

GALATIANS 5:16-25 THE SPIRIT AND HUMAN NATURE

What I say is this: Let the spirit control your lives and you will not satisfy the desires of human nature. For what our human nature wants is opposed to what the spirit wants, and what the spirit wants is opposed to what our human nature wants. These two are enemies, and this means that you can not do what you want to do. If the spirit leads you, then you are not subject to the law. What human nature does is quite plain. It shows itself in immoral, filthy and indecent actions; in worship of idols and they fight; they become jealous, angry, and ambitious. They separate into parties and groups; they are envious, get drunk, have orgies and do other things like these. I warn you now as I have before: those who do these things will not possess the kingdom of God. But the spirit produces love, joy, peace, patience, kindness, goodness, faithfulness, humility and self control. There is no law against such things as these. And those who belong to Christ Jesus have put to death their human nature with all its passions and desires. The spirit has given us life; he must also control our lives. We must not be proud or irritate one another or be jealous of one another.

JOEL 2:12-13

“But even now,” says Lord, “repent sincerely and return to me with fasting and weeping and mourning. Let your broken heart show your sorrow; tearing your clothes is not enough”

Come back to the lord your God. He is kind and full of mercy; he is patient and keeps his promise; he is always ready to forgive and not punish.

DEUTERONOMY 23:9-14

KEEPING THE MILITARY CAMP CLEAN

“When you are in camp of war, you are to avoid anything that would make you ritually unclean. If a man becomes unclean because he has had a wet dream during the night, he is to go outside the camp and stay there. Towards evening he is to wash himself, and at sunset he may come back into camp. You are to have a place outside the camp where you can go when you need to relieve yourself. Carry a stick as part of your equipment, so that when you have a bowel movement you can dig a hole and cover it up. Keep your camp ritually clean, because the lord your God is with you in your camp to protect you and to give you victory over enemies. Do not do anything indecent that would cause the lord to turn his back on you.

MATHEW 6:1-4

“Make certain you do not perform your religious duties in public so that people will see what you do: if you do these things publicly, you will not have any reward from your father in heaven. “So when you give something to a needy person, do not make a big Show of it, as the hypocrites do in the houses of worship and on the streets. They do it so that people will praise them. I assure you, they have already been paid in full. But when you help a needy person, do it in such a way that even your closest friend will not know about it. Then it will be a private matter. And your father, who sees what you do in private, rewards you.

PROPHETIC REMARKS

By Prophet Patrick Donald Oucha

Glory to God. This piece of work has been accomplished after search and find mission powered by the Holy Spirit of God. The primary purpose is to identify contrary spirits and subdue where necessary.

The secondary purpose is to ensure that children of God walk in light as they seek the face of God in spirit and in truth - John 4:24.

I thank God for sowing the seed of Great Vision through the president of the Republic of Uganda. His Excellency Yoweri Kaguta Museveni, who has steadily re-energized life in the Nation state.

Given the content of the contrary spirits hovering in the country, it will cause no energy or efforts to recognize H.E Yoweri Kaguta Museveni as a great leader, whose leadership has been anointed by God on the one part and envied by the contrary spirits on the other.

In the premise, his administration has established platform for an equal opportunity participation in building Uganda. But, given this analysis, the religious leaders have underutilized the opportunity to help the State enjoy Healthy Spiritual Growth and Development.

We must understand that even a great leader needs reasonable amount of spiritual guidance to stay in power blameless.

Religious leaders have not been bold enough to identify and subdue the contrary spirits in the land.

The said spirits are becoming hostile and setting unnecessary demands not limited to bloodshed. Remember the Bread and Milk of the Holy Spirit is the word of God. But the food of the contrary spirit is Blood and Tears of a human person. John 10:10

John 4:24 “God is spirit; His worshipers must worship him in Spirit and in Truth”.
