

TIME TO SAY THANK YOU

19/10/2018

This simple note serves to deliver a thank you message to all across the globe. I found it necessary to note with thanks, the support rendered to me right from childhood (1968). I personally have no reason to be proud but the right reason to remain humble.

My background was firmly constructed with concrete and pillars of acute childhood poverty. I lost my father (The Late Patrick Donald Ngarombo) when I could not say "Good morning or Good night Daddy". I was raised by ordinary Africans. My life sailed through the valley waters but God stood by my side for always.

To date, your support to all my initiatives, programs and projects has proven that God cares and works through people to elevate his chosen servants. From the year 1994, my life shifted to the direction where service to others became a special call from The Lord Almighty. This inspiration (call) was supported positively and without rejection across Africa / beyond.

I made 50 years on 19th September, 2018, as I reflect upon the dangerous journeys of my life on the one part and the achievements made through the 50 years, the Holy Spirit of God instructed me to thank the organizations who tabled support unconditionally and individuals who stood by me.

I would for the first time request that you allow me to mention some individuals and organizations that helped me to climb the ladder of global fame and everlasting success.

1. I thank my immediate family; my kids (Patricia and Patrick) for allowing me to keep away from home most times serving others. Their mother Ms. Hellen Edimu has been God's sent and helpful throughout my struggle to serve others. To date, Hellen Edimu receives unconditional honour and respect from my simple but precious life. Hellen and I committed hard-earned family resources to fight HIV/AIDS and support the needy projects in Africa. We suffered financial stress caused by our high levels of generosity. In 2011, Hellen could not stand the financial stress; she left me to struggle alone.
2. On my return from the United Kingdom to launch ANTI-AIDS campaigns; Mukono District was my chosen camp-one in Uganda. In

Kyetume - Mukono District, I met a Muganda lady Ms. Jesca Babirye (RIP) who accommodated me for free in her rental housing units. She supported me with transport and simple requirements ahead of popular government support through the Uganda Aids Commission, the President's Office, Ministry of Gender in Uganda and the Ministry of Health. May her Soul Rest In Peace!

3. I salute other individuals; Ms. Bakoto Bakoru Zoe (Former Minister Gender and Labour Affairs in Uganda), Mr. Patrick .A. Okumu Ringa (Former State Minister Public Service in Uganda), Mr. Mike Mukula (Former State Minister for Health in Uganda), The First Lady Hon. Janet Museveni, All headteachers in over 5,000 schools I visited. The Late Joseph Arwata (Former RDC Katakwi District, The Late Esorom William Alenyo (Former LCV Chairman Nebbi District), The Late Alex Jurua (Former LCV Arua District), The Late Odama Richard (The proprietor Rippons Motel Arua), The Ozu Brothers Establishments in Arua. Dr. Thumshabe (The Director Health services Mukono), Mr. Vasco Kura (The Former District Education Officer Nebbi District), Mr. Nicholas Tembo (Former District Education Officer Arua), My Late Grandmother Veronica Nyacheng (RIP), Mother Lucy Opira (RIP), Uncle Peter Aliker (RIP), Apostle Margaret Amana, Apostle Tony Sekyanzi (Team leader Kingdom Life Tabernacle), The Late Dr. Salim Bachou (Former State Minister – Tourism). Finally, thanks to my mentor in Europe (Mr. Tony White), and others not mentioned.

INSTITUTIONAL SUPPORT.

Many establishments supported me either directly or indirectly. Please allow me to list some of them that have comfortably identified with my international programs and / or initiatives created to make the World a better place than we found it. Safe Life Uganda reached out to network with many establishments in Africa and beyond. I would first and foremost recognize and appreciate the good relations between us and the Uganda government establishment since 1994.

In March (08 – 2004) I chanced to meet the President of Uganda H.E. Yoweri Kaguta Museveni in Kamuli District. Out of that brief meeting, I was offered office space and facilitation under the Ministry of Gender and Social Development. I created good working relations with all government Ministries and / or relevant Agencies. I was once invited to address all the Resident District Commissioners; on matters pertaining HIV/AIDS campaigns in Uganda. This trust and recognition opened many doors for me to excel Worldwide.

To date, I have many establishments networking with Safe Life Uganda Online Division: Standard Signs Contractors Limited, Eldobaraka Primary School Establishment, St. Theresa's Boarding Primary School – Namagunga, Namugongo Modle Primary School Establishment, Vincent Alex Day & Boarding Primary School Establishment, Mother Majeri Day & Boarding Primary School Establishment, New Hormisdallen Day & Boarding Primary School Establishment, Genesis Nursery School Establishment, Kampala Academy Day & Boarding Primary School Establishment, Hope of Destiny Nursery & Boarding Primary School Establishment, Ispina Trading Company, Altar One Initiatives, and several other establishments in Africa and beyond.

I salute these establishments for identifying with us and supporting me to grow Worldwide. I also recognize the support and / or contributions of our global partners such as Google Adsense, webnet, Nadya data, several universities and colleges in the United Kingdom and The United States of America. We also thank websites giving us greater visibility and publicity under corporate social responsibility.

I salute Pinsdaddy.com (a Website based in the USA) that had 15 images of our online item, by 18th October, 2018. It would be difficult to access that platform without support from the owners and Managers thereof.

By 19th October, 2018; Safe Life Website registered unique and high quality adverts from across the globe. My fame shifted from Ordinary to Hyper Fame. I feel appreciated and accepted to serve the World with reasonable strength and Divine guidance.

I call on all to support my initiatives online and offline. I promise to perform by the Will and Instruction of God. Many people helped me to reach this level; due to limited space I have not been able to publish all names. MAY GOD BLESS THEM!

I conclude by thanking the media in Uganda for the cost free promotions / publicity that propelled me to fame since 1994 to date. I request for your prayers as the workload ahead is huge, interesting and calls for collective participation.

Thank you! Thank you!

Glory be to God.
