

Former President, Late, PIERRE NKURUNZINZA (RIP. Dec. 18-1964 - June. 08-2020)

We do appreciate his strengths and Weaknesses in politics. He must have been in the said position for reasons very privy to God alone .May God Bless his Family, the people of Burundi and the Nation State under New political Leadership of HE. Evariste Ndayishimiye
MAY HIS SOUL REST IN PEACE

AN EYE ON BURUNDI

BURUNDI'S former Leader, Late Pierre Nkurunziza, was arguably AFRICA'S very weak Head of State with simple ingredients of underutilised strengths. He engaged God's name to falsely gain FAME & POPULARITY on the one part and established self-centred power propellers on the other.

BURIAL REVIEWS

- His untimely demise should empower the people of BURUNDI to embrace ; NATIONAL RECONCILIATORY PROJECTS AND PROGRAMS for the good of ONENESS, DURABLE PEACE , PEACEFUL CO-EXISTENCE NATIONAL PRIDE AND ACCEPTABLE INTERNATIONAL VISIBILITY.
- His leadership distorted Burundi's VISIBILITY GROWTH put at about 1.5 million internet search results dated 30th June 2020 as opposed to Uganda's Huge ONLINE VISIBILITY results put at 500+ Million on the same date, June 30th 2020
- His management leadership was largely punctuated by political stagnation , Political boredom and inability to swiftly transform weaknesses into strengths for the good of Burundi and the continent AFRICA.
