The world renowned HIV /AIDS Activist cum composer HIV/AIDS anthem, Prophet Patrick Donald Oucha has hailed a Ugandan Pastor, Simon Peter Magode for demonstrating Christ like character.

Interacting with safe life correspondent in Kampala Uganda, December /05/2014, Prophet Patrick Donald Oucha said", I am impressed with Pastor Simon Peter Magode. He is the man who mentored me when most pastors and apostles rejected me for mere reason of being famous and unpredictable".

Additionally, "Pastor Simon Peter provided necessary literature, praise and worship songs, international TV channels, transport facilitation and a functioning Alter to boost my spiritual growth and maturity. At this stage I became closer to God every other minute while he monitored me spiritually till I gained total spiritual liberation to serve the world effectively and efficiently as a Prophet".

Prophet Patrick says, "Most of these pastors and apostles expressed fears that I could be spying on their church with aim of exposing weaknesses and cause negative publicity. It's hard to tell what goes on in born – again churches, most pastors and apostles feel very insecure and they time- after- time doubt men who rise that they have been called to serve God as well. To put it right, most churches of the born again people in Africa are simply family churches serving majorly family interests to unsuspecting believers." Says Prophet Patrick.

About his ordination, prophet Patrick says, "I think I'm among the very few servants of the lord who have been ordained directly by the Holy Spirit. I however salute Pastor Simon Peter Magode for having witnessed many stages of spiritual development successfully accomplished during my consecration. For all that has happened in my life Glory be to God."

Prophet Patrick says, "I take this opportunity to forgive all men of God who denied me audience when I needed spiritual guidance to achieve prophetic heights and serve the Lord together."

Prophet Patrick has had part of his tough spiritual training in Eldoret – Kenya under the supervision of Apostle Margaret Amana, of the Revival Covenant to the Body of Christ Ministries, Eldoret.
