OUCHA VISITS MAAMA JUNIOR SCHOOL ESTABLISHMENT,
MALABA, UGANDA –AFRICA

The world renowned HIV/AIDS Activist cum Composer HIV/AIDS Anthem; Prophet Patrick Donald Oucha, has hailed the vision bearers and management of Maama Junior School Malaba, for putting in place; praiseworthy systems and structures to propel quality and affordable educational services in Africa.

“My pride to Associate with Maama Junior School, is Bold and For always. I call on my associates to support Maama Junior School Malaba, where necessary” explains Oucha .

Additionally “I shall share my precious skills and fame with the school to give it reasonable visibility Worldwide.”

Prophet Oucha spent 50 hours at the border town of Malaba, in Malaba Town council, Tororo District - Eastern Uganda.

“I love this busy town council; but authorities here should sensitize communities on hygiene; it is not fair for this RESOURCEFUL town council to suffer from unmanaged garbage: given the volume of business it handles on a daily basis.” Explains Oucha.
