# SPIRIT REALM ANALYSIS

## HELLO AFRICA!!

What is the Meaning and Interpretation  
of the word CHANGE in Spiritual context?

**CHANGE** means: "Do not sleep like a Child, do not rest like a Bird,  
do not Fear, be Prayerful, die as many times as you are privileged;  
the final death must be transformational NOT Ceremonial ..... and  
all for the positive Development of the poor people hit by durable suffering.....  
all you perform must NOT conflict with the set Law of the land and /or Nation State"

**Prophet Patrick Donald Oucha**

Please read Isaiah: 51, Psalms: 51 and Psalms: 121 to  
boost your Spiritual Boldness.
