

SON OF A WOMAN

Endures the pain
of twisted Mind
caused by Childhood
Poverty

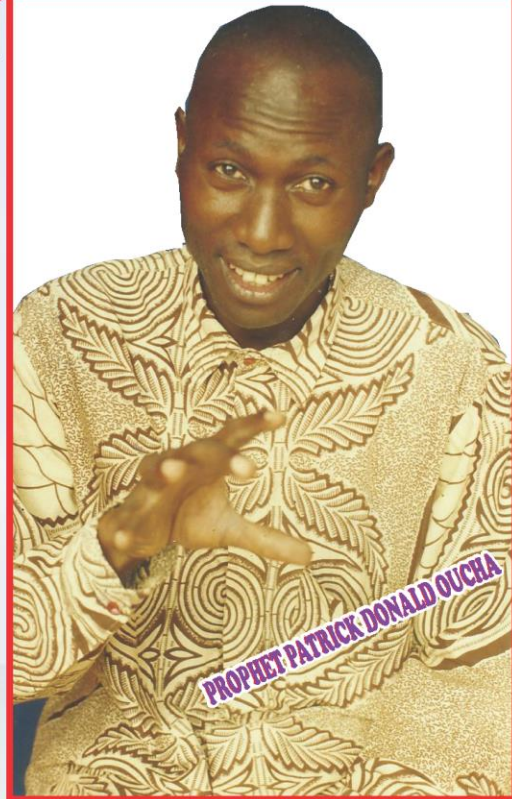

Endures the pain
of Tongue twists
and Heart turns
caused by heavy
Prayers for success

Sweats when it's cold
and absorbs moisture
When it's hot

Survives like a Cockroach
or Spider on a Cobweb
Mission

Respects the Doves
and appreciates the
sound of Silence

Accepts failure as
a favourable condition
for success
