

OUCHA creates ALTAR ONE in AFRICA

By special life correspondent

In Africa 14/04/2015.

The world renowned HIV/ AIDS activist cum composer HIV/AIDS Anthem, prophet Patrick Donald Oucha, has established a prayer place named 'ALTAR ONE' designed to boost God's programs globally and rescue innocent children of God from unnecessary and painful premature deaths (why die young).

"Yes, the Holy spirit of God lives in me 24/7. The spirit has empowered me to establish ALTAR ONE as a medium for effective and efficient implementation of God's programs". Explains, Prophet Patrick Donald Oucha.

ALTAR ONE is established in Africa "my first establishment is here in Africa. But the scope of coverage remains global" says, Prophet Patrick Donald Oucha.

The major purpose of this ALTAR is to re-energize spiritual gifts of servants and believers at various levels.

Ephesians 11:13 "it was he who gave some to be Apostles, some to be Prophets, some to be evangelists, some to be pastors-teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the son of God and become mature, attaining to the whole measure of the fullness of Christ" (NIV)

Prophet Patrick, says, "Most believers do not understand the true meaning of the church and the functions of the Holy spirit of God".

"Through this ALTAR believers shall be mentored to understand why it's important to pray all the time and how to pray effectively" explains, Prophet Patrick Donald Oucha.

The ALTAR shall empower believers to pray against the rampant terror attacks on unarmed/innocent children of God worldwide.

"There is no point in killing one another; it does not matter whether one is a Muslim or Christian, one is black or white, we all belong to one God, under one spirit and truly ONE ALTAR". Explains, Prophet Patrick Donald Oucha.

"I shall advocate peaceful co-existence, forgiveness, tolerance, love for one another and above all Meekness". Says, Prophet Patrick Donald Oucha.

He further states that “the invisible fighters’ a.k.a terrorists should be allowed to access spiritual rehabilitation centres through well designed Amnesty programs worldwide”

Prophet Patrick observes that “waging wars on terrorists shall never yield durable solutions and the world shall never experience desired peace”

THE BIBLE

Retaliation is like implementing the saying that an eye for an eye. Many people base on legitimacy however such saying legitimizes revenge and for Christians need to understand the Law of Moses which can be explained as follows:

Exodus 21:22-25.

According to the bible, Moses emphasized social relationships which includes;

- All people are equal before the law which should be impartial.
- There must be law which should be impartial
- There must be just proportion between law and punishment.
- A person is responsible for his / her actions and must be aware that his/her actions provoke a similar reaction from the receiving person.

None of us is above the Law of Moses however we also find the following passage

Ezekiel 33 you must not slander your own people and you must not jeopardize your neighbour’s life.

Leviticus 9:16-18

Jesus tells his disciples not to make the use of the right given by the law of retaliation but to go beyond it in the form of the new law of brotherly love. In fact the messiah came to improve the law but not abolish it (Mathew 5:17-20)

The Master Emphasizes three points:

- The golden rule, all things that you wish people may do for you, you also do for them (Mathew 7:12)
- Mercifulness and forgiveness because everybody is in need of them from the Lord (Mathew 6:14-15)
- The abolition of the law of retaliation came from Jesus himself (Mathew 38-39)
- Ephesians 6:11-12 put on the full armor of God, so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.
